

Dr YewPung, Leong

MBBS (Monash), FRCS (Ed), FRCS (Eng)

Consultant Vascular & Endovascular surgeon

Cardiac Vascular Sentral Kuala Lumpur (CVSKL)

Malaysia

Graduated with MBBS from Monash University in 1979. After completing internship at the Alfred Hospital in Melbourne, went to the United Kingdom for surgical training. Obtained the FRCS(Ed) and the FRCS(Eng) before returning to Malaysia in 1985 as a lecturer and then Associate Professor at the National University of Malaysia in Kuala Lumpur. Started the first Vascular unit in Malaysia at the university.

Now practise as a Vascular and Endovascular surgeon with an ever increasing Endovascular workload. Main interests include Endovascular repair of Aortic aneurysms/dissections (EVAR), Endovascular revascularisation in peripheral arterial disease and Endovenous treatment for varicose veins. Has wide experience in the treatment (Open surgery and Endovascular) of Abdominal aortic aneurysms, Thoracic aortic aneurysms, Aortic dissections including fenestrated stent grafts and iliac branch grafts.

Was the founding President of the Vascular Society of Malaysia and a Past-President and Councillor of the Asian Society for Vascular Surgery. A proctor for Cook endovascular for fenestrated devices. Had published numerous papers and presented many lectures at international meetings.
