

CURRICULUM VITAE

kamphol Laohapensang

Name: Kamphol Laohapensang, M.D., F.A.C.S., F.I.C.S., F.R.C.S.T.

Business Address: Department of Surgery, Chiang Mai University, Chiang Mai 50200, Thailand.

Tel: +6653 946420, 945532-4

FAX: +66 53 946139

Home Address: 88/73 Athena Kulaphan Village Mahidol Rd., Chiang Mai 50100, Thailand.

Tel +6653 271804

E-mail Address: Klaohape @ gmail.com

Date of Birth: February 12, 1954

Place of Birth: Chiang Mai, Thailand

Native: Chiang Mai, Thailand

Citizenship : Thai

Married : Sangsuree

Children : Rattamanee 1982, Teerada 1987

Present Appointment:

- Professor Emeritus of Vascular Surgery, Chiang Mai University, Thailand.
- Consultant Vascular Surgeon, Department of Surgery, Chiang Mai University, Thailand.

Other Affiliations:

- M.D., examiner, Chiang Mai University (1983 – present)
- Examiner Thai Board of Surgery. (1992-present) • Examiner Thai Board of Vascular Surgery. (2004-present)
- Committee member Association of General Surgeons (THAILAND). (2001 – Present).
- President Thai Venous Association. (2013-present)
- Committee member Royal College of Surgeons of Thailand. (1990-present)

University Training:

- Faculty of Medicine, Chiang Mai University, Chiang Mai, Thailand. (1971-1975)
- Medical School, University Hospital, Chiang Mai, Thailand. (1975-1978)
- Residency training Medical School, University Hospital, Chiang Mai, Thailand.(1978-1982)
- Vascular Surgery Fellowship, University of Colorado, U.S.A. (1982-1986)
- Trauma Surgery Fellowship, University of Colorado, USA (1986)
- Vascular Surgery Training, Medical School, University of Colorado, U.S.A. (1990)
- Vascular Surgery Training, St. Bartholomew's Hospital, University of London, U.K.(1993)

Degrees:

- B.Sc. (1975)
- M.D. (1978)
- F.R.C.S.T. (1982)
- Certificate in Vascular Surgery (U. of Colorado, USA) 1986, 1990.
- Certificate in Trauma Surgery (U. of Colorado, USA) 1986.
- Certificate in Vascular Surgery (U. of London, UK) 1993.
- F.I.C.S. (1994).
- Diplomate Board of Vascular Surgery (2004).
- F.I.C.A.(2004)
- Fellow American College of Surgeons (FACS,2005)
- Fellow International Society of Vascular Surgery (2006)
- Fellow Society of Vascular Surgery (2009)

Memberships and Professional Society :

- Royal's College of Surgeons of Thailand
- Thai Board of Surgery
- Thai Society of Trauma
- Thai Society of Gastroenterology
- Thai Medical Association
- International College of Surgeons
- Thai Vascular Society
- Association of General Surgeon (THAILAND)
- Thai Society of Surgical Oncology
- International College of Angiology (2004)
- American College of Surgeons (2005)
- Listed Who is who in Medical Sciences (2005)
- International Society of Vascular Surgery
- Listed Who is who in Asia (2006)
- Listed Who is who in The World (2007)

- Society of Vascular Surgery (2009)

Researchs:

1. Electrical Injuries: A review of 61 cases. Bulletin of Trauma 1984; 3(4): 7-16.
2. Bronchoscopy for Surgical Patients. Chiangmai Med Bull 1985; 24 (1): 1-9.
3. Blunt Colorectal Injuries Bulletin of Trauma 1985; 4(1): 9-20.
4. Management of Thyroglossal duct cysts. J of Int Coll Surg Thai 1986; 29(3): 119-122.
5. Successful management of free intraperitoneal ruptured common iliac artery aneurysm.
Chiang Mai Med Bull 1988; 27(2): 179-183.
6. Thoracoscopy with Flexible Fiberoptic Bronchoscope. Thai J Surg 1988; 9: 45-48.
7. Thoracic Injuries in Chiang Mai University Hospital. Thai J Surg 1989; 10(3): 57-60.
8. Negative laparotomy for abdominal injury. Chiang Mai Med Bull 1989; 10(3): 57-60.
9. One stage operation for Pharyngoesophageal and Cervical esophageal carcinoma with
immediate reconstruction. Thai J Surg 1992; 13: 61-64.
10. Complications of vascular access surgery. Thai J Surg 1992; 13: 86-90.
11. Traumatic Arterial Injuries of the upper extremities. Thai J Surg 1993; 14: 1-6.
12. Popliteal Arterial Injuries. Thai J Surg 1993; 14: 48-52.
13. Salvage of failing vascular access J Int Coll Surg Thai 1993; 38: 41-44.
14. Intraluminal shunting for Limb - threatening Vascular Injuries. Asian J Surg 1994;
17(4): 371-376.
15. Leiomyosarcoma of the trachea: A case report. Chiang Mai Med Bull 1993; 32 (3):
159-163.
16. Ischemic Upper Extremity. The Bulletin of Vascular Surgery 1997; 1: 111-118.
17. Esophageal conduit in nearly hopeless corrosive esophageal stricture patient. J Med
Assoc Thai 1997; 80(8): 534-539.
18. Management of Celiac Artery Aneurysm: A case report. J Med Assoc Thai 1997; 80 (8):
609-612.
19. The Retroperitoneal Approach for Abdominal Aortic Aneurysms. J Med Assoc Thai
1997; 80(8): 479-485.
20. Abdominal Incisional Endometrioma following Cesarean section: A case report J. Med
Assoc Thai 1999; 82: 1254-56.
21. Surgical treatment of phlegmasia cerulea dolens and venous gangrene. The Bulletin of
Vascular Surgery 1999; 3: 9-15.
22. Simple Vessel Loop for Vascular operation. The Bulletin of Vascular Surgery 1998; 2:

82-85.

23. Antibiotics in Vascular Surgery. *The Bulletin of Vascular Surgery* 1999; 1: 34-38.
24. Buerger's Disease (Thromboangiitis Obliterans). *The Bulletin of Vascular Surgery* 1997; 1: 51-57.
25. Popliteal Entrapment Syndrome. *The Bulletin of Vascular Surgery* 2000; 3: 33-37.
26. Phlegmasia caerulea dolens and venous gangrene. *Thai J Surg* 2003; 24: 9-14.
27. Seasonal variation of Burger's disease in Northern part of Thailand. *Eur J Vasc Endovasc Surg* 2004; 8:418-420.
28. Minimal Incision for Repair of non-ruptured infrarenal Abdominal Aortic Aneurysms. *Thai J Surg* 2004; 25: 57-62.
29. Minilaparotomy for infrarenal Abdominal Aortic Aneurysm (AAA) repair. *J Int Angiol* 2005; 13: 1-4.
30. Necrotizing arteritis due to *Pythium insidiosum* infection in Thalassemic patients. *J Int Angiol* 2005; 14: 1-6.
31. Decrease in Recurrence of Buerger's disease in Northern part of Thailand. *Surg Today* 2005; 35(12): 1060-1065.
32. Minilaparotomy for repair of infrarenal abdominal aortic aneurysm. *International Angiology* 2005; 24: 238-244.
33. Endovascular Repair of anastomotic aortic false aneurysm. *The Bulletin of Vascular Surgery* 2006; 10: 9-15.
34. Vascular pythiosis in thalassemic patients. *Vascular* 2009;17(4): 234-8.
35. Spontaneous Rectus Sheath Hematoma in EVAR patients. *Annals of Vasc Disease* 2009; 2(2); 122-5.
36. Mycotic Abdominal Aortic Aneurysm Due to *Streptococcus Suis*: A Case Report. *Surgical Infection* 2009; 10(4): 1-4.
37. Infected aneurysms. *Annals of Vascular Disease* 2010; 3 (1): 16-23.
38. Management of the Infected Aortoiliac Aneurysms. *Annals of Vascular Disease* 2012; 5(3): 1-8.
39. Surgical venous thrombectomy for phlegmasia cerulea dolens and venous gangrene of the lower extremities. *J Med Assoc Thai*; 2013 Nov; 96(11): 1463-9
40. Incidence and Risk Factors of Venous Thromboembolism Following Major Abdominal

- Surgery. *J Med Assoc Thai* 2016; 99 (6): 665-74.
41. Management of the infected aortic endograft. *Seminars in Vascular Surgery* 2017; 30: 91-94.
 42. Outcomes for Endovascular Repair of Infected Abdominal Aortic Aneurysms. *Ann Surg Case Rep.* 2017; 1: 1014-9.
 43. A Para-renal Abdominal Aortic Aneurysm with Iliac arteries stenosis. *J Vasc Surg* 2018; 4:106-7.
 44. Aorto-enteric Fistula After Endovascular Abdominal Aortic Aneurysm Repair for Behcet's Disease Patient: A Case Report. *European Journal of Vascular and Endovascular Surgery* 2018; 39:54-57.

Short Biography of Dr. Kamphol Laohapensang MD, FACS:

Dr. Kamphol Laohapensang was born in Chiang Mai, Thailand. High school education was at the Prince Royal's College before attending Chiang Mai University where he received his medical degree (MD) in 1976. Internship was in Chiang Mai University Hospital. Surgical training was undertaken at the Chiang Mai University Hospital, followed by Clinical Vascular Fellowship in the USA at the University of Colorado Health and Science Center USA and a Research Fellowship at St. Bartholomew's Hospital, UK.

He returned to Thailand to take up a position at the Chiang Mai University Hospital in 1986 and was appointed Senior Lecturer in Surgery. He was promoted to Associate Professor in 1989 and succeeded as Professor of Surgery in

2004. He has been Chief of the Chiang Mai University Hospital Division of Vascular Surgery since 2006.

Dr. Kamphol Laohapensang is a member of close to twenty professional societies, and is now a President of the Thai Venous Forum. He has served as a director of the Thai Board of Vascular Surgery and was chairman of the Vascular Surgery Committee of that board. He has been an examiner in Vascular Surgery for the Royal College of Surgeons of Thailand since 1992 and is now Senior Examiner. He is Chairman of the Royal College of Surgeons of Thailand Working Party on Vascular Diseases and a member of a committee for the development of the Surgical Guidelines. In 2008 he received the first Golden Hand Achievement Award given by the Thai Vascular Association. In 2012 he received the Lifetime Achievement Award from the Thai Vascular Association.

He has written extensively on vascular topics. Major clinical interests are the endovascular management of aortic aneurysm, the prevention and treatment of venous thromboembolism.

Dr. Kamphol Laohapensang is now Professor Emeritus of Vascular Surgery at the Chiang Mai University. He and his wife Sangsuree have been married for 39 years and primarily live in Chiang Mai, northern part of Thailand. They have 2 daughters. Dr. Kamphol enjoys travelling, opera, golfing, listening to jazz music, piano and photography.
