

# Dr Sven Bräunlich, M.D

## Mathias Ulrich

MD

Internist and Angiologist

Sven Bräunlich, MD, is an internist, angiologist, and cardiologist. He earned his medical degree at Julius-Maximilian-University of Würzburg, Germany, and completed a residency at University of Essen Clinic of Angiology, Germany. He then completed additional training at the University of Leipzig Heart Center.

An active researcher and medical device industry consultant, Dr Bräunlich has participated in many clinical studies and has authored more than 25 articles in peer-reviewed medical journals.

Dr Bräunlich has been a live case operator at leading medical congresses, including the Leipzig Interventional Course (LINC), LINC Asia-Pacific, Visionary Vascular and Endovascular Education (VERVE Symposium), and New Cardiovascular Horizons (NCVH).
